

STATE OF WAR ON OVER FIUME, WITH NO CLASH OF ARMS

D'Annunzio's Fierce Pro-
nouncements Are Only In-
dications of Trouble.

TRIESTE, Dec. 3 (Associated Press).—A state of war between the Kingdom of Italy and the "Regency of Quarnaro" at Fiume began at midnight, but up to a few minutes before that time there was no visible evidence that actual hostilities impended.

The blockade of Fiume was continuing and the only indications of trouble were the fierce pronouncements of Capt. Gabriele d'Annunzio against Gen. Cavaglia and the regular Italian troops which were surrounding the city.

Communication between Fiume and the islands of Arbe and Veglia was cut by an Italian patrol in the Gulf of Quarnaro, and supplies cannot be taken to them from the city. Thus the post-soldier's occupational forces there appear to be isolated.

Railroad traffic was functioning late last night, but the usual restrictions were enforced on the line of demarcation between Fiume and the occupation zone outside, passage of the d'Annunzio Legionnaires through the lines being forbidden.

Emisaries of D'Annunzio are going to and fro explaining his point of view, but shortly before midnight there were no extraordinary signs that the threat of war would take a more concrete form. Gen. Cavaglia has been able to tighten the conditions under which D'Annunzio's forces are held in Fiume, and all ships under the command of the post-soldier remain in the harbor, not venturing beyond the breakwater of the port.

Fiume seemed tranquil yesterday, with the exception of unimportant raids by submarine chasers. There was not the slightest movement of the population, which was maintaining an indifferent attitude toward the legionnaires engrossed in the "work of defense."

A member of d'Annunzio's staff told the Associated Press yesterday that d'Annunzio wished recognition of his services in occupying Fiume from Parliament and that he would become conciliatory in that event.

The cordon of carabinieri surrounding Fiume was increased yesterday and a very strict watch is being kept on all approaches to the city.
